Boy Scout Recruiting Incentive!

Limited Time Only!

What Troop doesn't need more parents to draw from for leadership positions and more boys just to make it more fun?

The one big issue that can come up is, How do you outfit a new patrol? We all know that things aren't cheap.

We would like to offer a special incentive to all Mayflower District Troops. If you hold a Troop Open House, or other recruiting event, and recruit a Patrol's worth of new Boy Scouts (6-8 boys) by 31 May 2011, we will provide your Troop with the equipment shown on the right to get them started right. This package is a $184.85 + S&H value!

The rules are simple:

1. Recruit 6-8 NEW Boy Scouts. This may include Webelos that move up into the Troop.
2. Provide a roster of the youth to the DE by COB 1 June 2011.
3. Have ALL registration forms and payment in to the TAC Registrar No Later Than 15 June 2011.

This is a limited time special offer, only being offered to Mayflower District as a test, so please take advantage of it. Nothing would tickle us more than to provide this set of equipment to each of our Mayflower District Troops.

I look forward to hearing from all of you.

Yours in Scouting,

Ray
