TRANSATLANTIC COUNCIL BOY SCOUTS OF AMERICA

INTERNATIONAL ACTIVITY PATCH

1. The wearing of the INTERNATIONAL ACTIVITY PATCH is approved as a temporary patch is authorized by the International Division, Boy Scouts of America. It is worn centered on the right pocket of the uniform shirt. The 5-inch jacket patch is worn centered on the back of any official BSA jacket. The neckerchief is dark blue with a red and white stripe border (adults only). The International segment is worn around the Council round.

2. INTERNATIONAL ACTIVITY REQUIREMENTS:

   A. Registered member of the Transatlantic Council, who participated in a TAC, approved "International Experience."
   B. An "International Experience" has been defined in TAC to be a person to person experience with local nationals (any country other than the US) to help foster the "Spirit" of World Brotherhood. Just living in a European country does **NOT** qualify. You need to learn about their culture and Scout Association.
   C. Individuals, units, or participants in a Community, District or Council event may complete an approved "International Experience". Check with your Commissioners Staff for examples of a sound "International Experience".
